Good Afternoon:

In talking with John and Ron this afternoon, I thought it would be a good idea to send this information out to you all. Attached is the property survey boundary document we had created by the sub that performed the work last month. Also attached is a boundaries document we created for our purposes. It needs to be updated with the 9540 NFB, LLC ID instead of GMA Properties.

146.19-3-1	9524 Niagara Falls Blvd LLC	9524 Niagara Falls Blvd, Niagara Falls, NY 14304	9524 Niagara Falls Blvd, N Falls, NY 14304
146.19-3-2	9540 NFB, LLC	9540 Niagara Falls Blvd, Niagara Falls, NY 14304	9540 Niagara Falls Blvd, N Falls, NY 14304
146.19-3-4	First Assembly Of God Inc.	9750 Niagara Falls Blvd, Niagara Falls, NY 14304	9526 Niagara Falls Blvd, N Falls, NY 14304

These documents give you an idea of the property line between 9540 and 9526 (Property owned by First Assembly of God). I know that John and Ron spoke of installing a loading dock eventually. They were under the impression that the 9540 property line went to the grass of the church. So I thought this information would be good to get out sooner than later. Our trailers having to be located on that lot does dictate us doing something with this parcel later rather than sooner. In a perfect world, it would be the very last section we do because of this. So, I hope this assists in your planning process. The contact for the church is:
